

CAZAGO Presents Concert Organist **STEPHEN JON HAMILTON**

Stephen Hamilton, internationally acclaimed concert organist, just returned two weeks ago from performing three concerts in England that included his second concert at Westminster Abbey and concerts at Oxford University at Exeter College Chapel and Queen's College Chapel. Read more about Dr. Hamilton [here](#) and join us for an exciting weekend featuring him November 2–3. He will present a repertoire workshop on November 2 at Orangewood Presbyterian, followed by a recital on November 3 at Lord of Life Lutheran in Sun City West. Both events are free and no registration or tickets are required.

Church Music Repertoire Workshop

Orangewood Presbyterian Church

7321 N 10th St, Phoenix

Saturday, November 2 • 10 AM–12 PM

1997 Rieger-Kloss organ, **III/44**

Stephen Hamilton has presented this workshop at eight National Conventions of the American Guild of Organists as well as many AGO chapters. It is a very practical workshop for church organists as he will present recently published church music provided by Augsburg, Oxford, and MorningStar music companies.

Hamilton will demonstrate much of the music that is presented. He'll also give ideas and suggestions for how this new music can be integrated into various liturgies of all denominations.

Dr. Hamilton will suggest organ registration, discuss technique, and will also present music for manuals only that will be useful to students in the early stages of learning pedal technique. The class will provide an extensive handout of the workshop music for easy convenience.

In Concert

Lord of Life Lutheran Church

13724 Meeker Blvd, Sun City West

Sunday, November 3 • 3:00 PM

2012 Glatter-Götz / Rosales organ, **III/47**

Hamilton's program includes a wide variety of music by French composers Jean Alain, Jean Langlais, Marcel Dupré, and César Franck, as well as music by Argentinean composer Ginastera and hymn tune arrangements by contemporary American composer Kenton Coe. The spectacular Glatter-Götz / Rosales pipe organ at Lord of Life Lutheran has the varied tonal resources that will enhance and provide the sonic experience that will reflect this great music. There is something for everyone on this concert program!

THE DEAN'S CORNER

Dear Friends,

I would like to draw your attention to the events on November 2 and 3, with Stephen Hamilton. There's more about him on the cover, but I would encourage you to visit his website to hear his fantastic playing—it will excite you beyond words! You won't want to miss the concert or the workshop!

In October, I spent one whole weekend (something that we church musicians don't get to say often!) in San Diego, to hear the Bach Collegium San Diego perform four of J.S. Bach's Brandenburg Concertos; then, a beautiful Choral Mass and Evensong at St. Paul's Episcopal Cathedral with a visit to Spreckels Organ Pavilion squished in between. The following weekend, I traveled to Tucson to hear Evensong at St. Philip's in the Hills Episcopal Church, which featured some spectacular music that the choir learned for their residency at Ely Cathedral this past summer. While I feel so privileged to live in a place with such great music, I am equally thrilled to be able to hear the wonderful things being done in our neighboring cities!

With best wishes for a blessed Thanksgiving,

Gary Quamme
Dean, CAZAGO

Next Board Meeting:
Monday, Nov. 18,
7:00 PM at All Saints'
Episcopal Church.

Le Grand Siècle: Organ Music and Culture in 17th and 18th Century France

November 8–10, 2019

The University of Kansas, School of Music, Division of Organ and Church Music is delighted to announce the first in a series of conferences on French organ music. Each conference will be centered around the teaching of Olivier Latry, the new William T. Kemper Artist-in-Residence at the University of Kansas, in conjunction with lectures and performances by resident and guest conference faculty. On November 8–9, Olivier Latry will present a lecture on the French Classic organ as well as master classes covering all of the major genres and composers of French classic organ music. Additional lecturers include Michael Bauer, Paul Laird, Areli Marina, and Colin Roust. University of Kansas students will present a concert version of an *alternatim* Mass featuring the music of Louis Marchand and chant sung in seventeenth-century French style by members of the Bales Chorale. On November 10, Olivier Latry will play a benefit concert for workers who lost their jobs as a result of the fire at Notre Dame Cathedral in Paris this past spring. The recital will include works by Boëly, Franck, Vierne, Gigout, Bach, Mozart, Guillou, and Liszt, along with a closing improvisation. To learn more about these events and register for the conference, please see www.music.ku.edu/Latry
